

# LAND O LAKES® Ultra Fresh® Lamb Milk Replacer

The nutrition lambs need to reach their full potential

- ✓ Palatable, balanced nutrition for healthy, energetic lambs
- ✓ Formulated to support gut health, strong immunity and feed intake

Available in an 8 lb. pouch, 25 lb. bag and 50 lb. bag

The right nutrition early in your lamb's life sets the stage for lifetime performance. Give your lambs the nutrition they need with LAND O LAKES® Ultra Fresh® lamb milk replacer.

Feeding LAND O LAKES® Ultra Fresh® lamb milk replacer allows you to market more ewe's milk and provide optimal nutrition for bonus, orphan, weak or small lambs.

Research has shown that lambs fed LAND O LAKES® Ultra Fresh® lamb milk replacer have optimal average daily gain compared to lambs that are naturally reared.<sup>1</sup>

EWE'S MILK VS. ULTRA FRESH® LAMB MILK REPLACER <sup>1</sup>		
	Ewe's Milk	Ultra Fresh®
<b>Avg. Daily Gain (ADG)</b>	0.62 lbs.	0.66 lbs.

## LAND O LAKES® Ultra Fresh® Lamb Milk Replacer

Features	Benefits
Fatty acid formulation	Supports lamb growth
Essential oils	Optimizes digestibility and nutrient absorption and supports palatability which assists with milk replacer intake
Complex carbohydrate	Supports immune response and gut health
Preservation system	Allows for hand feeding or free-choice feeding

## Feeding considerations:

**Day 1** Feed high quality colostrum as soon as possible after birth. If quality maternal colostrum is not available, feed LAND O LAKES® Bovine IgG Colostrum Replacer for Kid Goats and Lambs to help build immunity.

**Day 2** Begin feeding Ultra Fresh® Lamb Milk Replacer.

**Day 7** Start lambs on a high-quality creep feed such as Purina® Honor® Show EXP 15 or Purina® Delta Lamb & Ewe Feed. Do not feed hay for the first 3 weeks.

**Day 30-42** Lambs are ready to wean when they weigh 25 lbs and are eating 0.75 lbs of starter feed daily. Each lamb should have consumed at least 15-20 lbs Ultra Fresh® Lamb Milk Replacer powder. Wean by reducing the number of daily milk replacer feedings.

 Provide fresh, clean water at all times.

 During times of stress: Feed LAND O LAKES® Electrolyte Complete according to label directions.

 Always keep LAND O LAKES® Ultra Fresh® lamb milk replacer on-hand in case your lambs need high-quality nutritional support.

**Let's talk about how to best meet the nutritional needs of your lambs.**
