WITH

**OUTLAST**

**GASTRIC SUPPORT  
SUPPLEMENT**

## Gastric support horse treats

Show your horses (and their bellies!) some love with Purina® Outlast® Horse Treats! These treats contain the Outlast® Gastric Support Supplement that helps support optimal gastric pH. Purina® Outlast® Gastric Support Supplement has been researched at the Purina Animal Nutrition Center and is a perfect complement to any horse's diet. Your horse will love this great-tasting treat, and you will feel great knowing that you are helping to support their gastric health.

- Includes Outlast® gastric support supplement
- Horses love the taste!
- Convenient at home or on the road

## Feeding Instructions:

Feed as a reward or treat. Do not feed free-choice. Feeding 5-6 treats will help support optimal gastric pH. Feeding 10-12 treats will provide a full serving of Outlast® Gastric Support Supplement for a 1,000 lb horse.
