CAUTION: Store in a dry, well-ventilated area protected from rodents and insects. Do not feed moldy or insect-infested feed to animals as it may cause illness, performance loss or death.

This product was made in a feed manufacturing facility that does not handle or store products containing animal proteins prohibited in ruminant feed. USE ONLY AS DIRECTED

Contains:

Zinpro® provides highly available minerals in proprietary ratios that help immune response and hoof health, which are critical for healthy traveling show animals.

Research has shown that **TASCO®** helps lower body temperature during heat stress – keeping animals on feed.

Diamond V® Yeast Culture is a true, full fermented yeast culture developed specifically for optimum nutrition. Research proven, Diamond V® Yeast Culture has the unique ability to enhance ration digestibility, palatability and intake by delivering a rich all-natural nutrient source to the animal's digestive bacteria.
